

## Announcement

The results of the 12th INTERational Krappy Kamera Competition are in. Juror Daile Kaplan viewed close to 1000 images to arrive at her final decisions. After 7 hours of arranging, re-arranging and sorting we are proud to present the following list of winners with notice of special award winners. As a reminder to all who entered and did not win...you are all winners. Every print will be on display in our guest gallery in our 4th Salon des Refuses...a floor to ceiling installation of all submissions. The work was of exceptional quality this year and I'm sure you'll find your favorites in both the formal display on the ground floor and in the giant Kollage upstairs.

The show opens on March 2nd with a blow-out reception from 6 - 8pm. All are invited.

I am proud to present the 48 winning artists and hope to see you all at the gallery in March 2010.
